Launceston, TAS | 0451 280 806 | specialbishes9@gmail.com | linkedin.com/in/bishes-adhikari

PROFESSIONAL SUMMARY

Junior IT Support professional with hands-on experience in Microsoft 365, Active Directory, and Windows troubleshooting, plus growing Linux (Ubuntu) skills through ongoing homelab projects. Holds AZ-900 and MS-900, with AZ-104 in progress. Based in Launceston, full work rights, available for immediate start.

TECHNICAL SKILLS

Microsoft 365 & Azure: M365 Admin Center, Azure AD User/Group Management, Azure VMs, Storage & RBAC, MFA Support

Windows & Hardware: Windows 10/11 Troubleshooting, Hardware Setup, Repairs & Imaging, Remote Desktop Support

Identity & Networking: Active Directory & Group Policy, DNS, DHCP, VPN, WiFi fundamentals

Linux: Ubuntu basic commands & navigation, VirtualBox homelab, package management (apt)

Tools & Process: Jira, Zendesk, Freshdesk ticketing, incident documentation

IT SUPPORT EXPERIENCE

IT Support Intern / Trainee — Tech Skills Institute May – Sep 2024

Provided Level 1 IT support in a training and simulated enterprise environment, face-to-face and remote

Assisted users with password resets, MFA issues, email problems, and account access

Troubleshoot Windows login issues, printer problems, and basic network connectivity

Created and managed users and groups in Active Directory; logged and tracked issues via ticketing systems

Set up desktops, laptops, and office IT equipment; supported M365 user management, licensing, and mailbox setup

HANDS-ON LAB PROJECTS (ONGOING, 2025–2026)

Azure Cloud Lab

Deployed virtual machines and virtual networks; managed Azure AD identities, roles, and MFA; configured backups, monitoring, and security settings

Linux Homelab

Installed Ubuntu via VirtualBox; practiced system administration, file permissions, user management, and package management

Microsoft 365 Admin Lab

Configured Exchange mailboxes and user accounts; resolved login, MFA, and licensing issues; managed roles and security policies
